

New England Quarter, Brighton

This £200 million scheme is on a 15-acre site next to Brighton station.

Many of the 355 planned homes, from apartments and warehouse flats to town houses, have been snapped up. But 150 eco-friendly one- and two-bedroom flats by Crest Nicholson and Bioregional Quintain are also being built.

Call 0845 359 6300, or visit www.newenglandquarter.co.uk.
